Auction Catalogue

This is a valuable reference.

\$2.00

PER YEAR

OUR MONTHLY AUCTIONS & TERMS

The price of the Auction Catalogue is 20¢ per copy, \$2.00 per year; however, no charge is made to our regular auction bidders. Bid liberally on lots you really want and unless there is competition up to your bid, you will get it for less. Then add as many bids for flyers as you like, with the possibility of picking up a bargain here and there. We sometimes buy lots for bidders at less than half of what they bid but it doesn't happen often that we can save a bidder anything if his bid is under 50¢.

Auction Sales Terms are strictly cash. Awards must be paid for immediately upon receipt. A 5% charge will be made for packing and shipping. Express or postage is extra. Remit by Money Order or N. Y. Draft. Add 5¢ exchange fee for checks.

Auction lots will be shown. Parties unknown to us must give good bank reference and deposit of 25 percent of bids submitted. Prices in brackets at end of line are approximate retail valuations of each item and only for bidders guidance. If you are especially interested in certain items, make unlimited bids. In this manner you secure such items at a few cents above any other bids. Some limit the bid to 5% over next highest bid, others 10%, etc. We do not claim to be infallible and will correct errors on our part, but we cannot be responsible for mistakes made by others, so please check your bids.

The Cataloguer has endeavored to describe all coins fairly without over-rating. PRICES REALIZED LIST will be furnished for 50¢.

COLLECTIONS OR DUPLICATES SOLICITED FOR AUCTION SALES.

AUCTION TERMS FOR SELLING GOODS ARE 25 Percent on consignments bringing \$25.0 or more; 35 percent if less than \$25.00. All subject to a minimum listing charge of 30¢ per line in catalogue. Ship consignment at once for next auction in latter part of July. Consignments must reach us before June 25th to be included. Uncirculated and proof coins, and all commemorative coins are in demand. Record prices are being realized for such coins, so for best returns send us your consignment now.

MEDALS

Historical and Commemorative Medals are finding greater favor among Collectors, especially since Commemorative coin prices have placed many of them out of reach of the average collector's pocket book. Medals, too, are often more attractive in design. A showy collection of medals may be obtained for less than the price of a single high price commemorative coin.
